COST:	\$10 per person, if paid by 28 th February \$15 per person after that date
RSVP:	www.trybooking.com/335526 28 th February Earlybird All nominations preferably by 3 rd March

Families of BCBC members and former members and other friends of BCBC are most welcome at both the Mass and the Lunch.

After Mass, we will join together for a meal and a chat, viewing the display of Club memorabilia and slideshows, plus a speech, a rollcall and decade-group photos. Bring along your memories to share. Sit with friends and relive the past.

If you have any slides, photos, maps, newsletters, annual reports, newspaper clippings, movies, videos etc that you could let us have in advance, to prepare for the display/slideshow, we'd be grateful and would take great care with your special items. Memorabilia will be copied in advance and returned on the day. Please advise Michele, by phone or email (bcbcbigevent@gmail.com) if you have any memorabilia or if you have any little anecdotes to share – stories you could write down for us, for a possible booklet of memories.

Spread the word far and wide to former members, as we don't have current addresses for many. We would also appreciate your providing us with contact details for any past members that you know. We are hoping to have many former members from each era, as well as lots of current members.

Please nominate as soon as possible via TryBooking, as we need to ensure we have sufficient Mass booklets and food. When prompted to write a few Highlights of your Time in the Club, please do so!

For further information, contact: Greg and Michele Endicott – by phoning 07 3351 4092 day or evening (up till 9pm), or writing to our "events only" e-mail address bcbcbigevent@gmail.com.

If you do not want to book online, please phone Greg or Michele for other options. However, we prefer you use the TryBooking service. We will not turn away late comers.

There is an option to buy a light blue classic-fit anniversary polo-shirt for \$25. Details are on TryBooking, where size choices can be made. Measurements are armpit to armpit. Orders close on 29th January, and will be delivered on the day.
